Reader Information Survey - Complete by Wednesday, October 9

The mass communications class from Tremont High School would like to present a survey for readers to fill out by Wednesday, October 9. Students in the class will be supplying news stories for the Tremont Weekly News. Completing the survey would help the students gather information about local people and news of interest. The students would be able to use the survey's findings in their upcoming research and writing for class.

Sampson Street Revitalization

Update #1

We are making progress on our makeover of the Sampson St/Walnut intersection. If you haven't been downtown lately, you have missed seeing the new, finished southeast corner. We now can begin working on the northeast corner as a result of the Village Board deciding to proceed with their improvements. We are hoping we can finish this corner yet this fall. We will need good weather and additional funding.
